

## « CŒUR » PENDANT TUTORIAL

---

Materials :

- 18 Amos® par Puca®
- 9 IOS® par Puca®
- 9 MESH rhinestone (MR)
- 9 bicone 3 mm (B3)
- 1 ring 40 mm
- Miyuki seed beads 0/15 (SB15)
- Miyuki seed beads 0/11 (SB11)
- FireLine 0,12

1) Pick up 2 Amos (top hole) + 1 SB11. Repeat until you have 9 pairs of Amos and close.

2) Pass through the bottom hole (red point) and exit from top hole.

3) Pick up 1 SB15, 1 IOS, 1 SB15 and pass through the 2 Amos. Repeat until you complete the row.

4) You will have this 😊  
Exit from SB15.

5) Between the SB15, add 1 SB15, 1 MR and 1 SB15. Repeat until you complete the row.

6) Exit from MR (top hole) and pass through IOS (top hole). Repeat until you complete the row. This pulls the beads together nicely.

7) Pass through MR (top hole).

8) Between each RM add 1 SB15, 1 SB11, 1 SB15, above the IOS.

9) Pass through SB11 (middle).

10) Between each SB11, add 1 B3.

11) Pass through the beads and go out through Amos (middle of the heart, top hole).

12) Place the ring.

13) Add 1 SB11, pass under the ring and again through the same SB11.

14) Pass through Amos (top hole), the SB11 and the second Amos (top hole). Repeat the step 13 until the end of the row.

15) You can finish your pendant in this way or you can add 2 Brick Stich rows.

You have finished the « Coeur » pendant.

Tips :

---

A simple little ball chain:  
**Finesse and brightness guaranteed 😊**

With a silk cord and a metal bead:  
**Originality 😊**

Happy beading!  
Thank you for respecting my work.
